Sir,

I have the honour to extend to your Organization an invitation to be represented by an observer at the fiftieth regular session of the General Conference of the International Atomic Energy Agency (IAEA) which will be held in Vienna at the Austria Center, commencing on Monday, 18 September 2006 at 9.30 a.m. A copy of the annotated provisional agenda (GC(50)/1) is enclosed.

The fiftieth General Conference marks the beginning of a series of commemorative events celebrating the IAEA's fiftieth anniversary which will provide an opportunity to broaden awareness of the full scope of the IAEA's contribution to socio-economic development, nuclear safety and security, and nuclear non-proliferation.

I would be grateful if you could inform me as soon as possible whether you will wish to send an observer. If so, I would also be grateful to learn the name of your observer, as well as any other representatives of your Organization who may accompany him/her.

The first edition of the list of participants to this regular session will be issued prior to the commencement of the General Conference. The Secretariat would be grateful if the composition of your delegation could be submitted latest by 1 September 2006 in order to enable the Secretariat to issue the first edition as complete as possible. The participants of the General Conference are requested to register online through the Internet web site created for this purpose. The registration procedures are described in the enclosure.

Accept, Sir, the assurances of my highest consideration.

Mohamed ElBaradei
Director General
